

Ziora's Quest: Mommy's Milk Rocks!

The first-of-its-kind story and book that teaches kids about the power of breastfeeding

Bulk orders are critical in educating as many people as we can and helping us increase breastfeeding initiation and duration rates across the country. While each order is processed with attention and love, our bulk order process is high-touch as well.

We are happy to work with your nonprofit organization to invoice your order in such a way that aligns with your grant-related goals and fiscal/budgeting requirements.

Payment for the books is requested upon order date and we are happy to hold your order for 30 days if your organization is paying by check. We are able to accept credit card orders, but a 3% convenience fee will apply.

Once your order is ready, you may choose delivery service from USPS, FedEx, or UPS. After we have a firm idea of the shipping costs, we will share the amount with you (at cost, no markup) under a separate invoice.

PS — If you are a nonprofit, please enclose a copy of your organization's tax-exempt certificate for our records.

Thank you for investing in breastfeeding awareness and supporting a woman-owned, minority-owned small business!

***With gratitude,
Dr. Amaka Nnamani***
